Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Sunday 03 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Further scattered blustery showers overnight.

This Evening and Tonight:
Showers continuing overnight, particularly across western hills where the odd heavier shower is possible. Clear spells will develop, the longest of which will be in the east. Winds only gradually easing and feeling rather cool. Minimum temperature 6 deg C (43 deg F).

Monday:
Further scattered showers, heavy and blustery at times, spreading to all parts through the morning. Isolated hail and thunder also possible. A little less windy, however. Maximum temperature 14 deg C (57 deg F).

Outlook for Tuesday to Thursday:
Windy with long spells of heavy rain on Tuesday. Mainly dry on Wednesday with sunny spells. Winds easing. Mainly dry on Thursday, cloudy over the hills but fine further east.
